M'Arthur Turns Down Invitation To Return

Fears Visit Would Seem Political

Washington, May 28—(AP)—General Douglas MacArthur told Congress today that he doesn't want to come home now. Such a journey, he said, would be misunderstood as "politically inspired."

So MacArthur said he would rather postpone his return from Tokyo until after the Republican national convention, which meets June 21 in Philadelphia. He said previously he would accept the nomination for president if it is offered.

The general replied today to an invitation by the Senate Appropriations committee to testify on spending for the Far East. In a telegram to Chairman Bridges (R-NH), MacArthur noted that he already has expressed his views on this subject and that basic policies have been determined.

Admits He's Homesick
Tied to the orient since the war by his duties as supreme allied commander in Japan, the 67-year-old Arkansas native disclosed in his message that he's homesick. He has not been in the United States since 1937. But he added:

"It would be peculiarly repugnant to me to have it felt that I sought to capitalize to political advantage as many have frankly urged, the public good will which might manifest itself. For such good will find its inspiration in the Pacific war victory."

"Usurpation of such good will by me to serve a political end would be a shameful breach of their faith (that of Americans who took part in the war) and a betrayal of the mutual trust on which was erected the cornerstone to the Pacific victory."

Attitude Hasn't Changed
MacArthur thus shattered the hopes of those who felt that the drama of his arrival and public appearance on the eve of the GOP convention might rally delegates to him as a compromise candidate if a deadlock developed in the voting.

The general's reply to congressmen in line with his expressed attitude toward the Republican nomination.

He said on March 9 he would run if nominated, but would not campaign for the nomination. At this time he has 10 pledged votes on the first ballot.

Expose Salesman Who Compiled War Record By Fraud

Chicago, May 28—(AP)—The glorious war record of John Andrew Keller, Jr., burst today like a bubble of gum.

Robert C. Eardley, assistant U.S. attorney, said Keller, a 21-year-old Peotone, Ill., salesman, had created the brilliant record and commissioned himself an army second lieutenant by dint of a little extra paper work while employed as a clerk in the Pentagon building, Washington, D.C.

Keller was charged with falsifying government records. Conviction of the charge carries a maximum penalty of 10 years' imprisonment and a \$5,000 fine.

Eardley gave the following account of the charge: Keller, while employed in the casualty and reserve branch of the War Department, entered his own name in the file of an infantry officer candidate who had not completed his course at Ft. Benning, Ga.

He then selected a serial number from a block which had not been used, and filled out a commission form naming himself as a second lieutenant.

The record adopted by Keller showed that he had engaged in exploits in four campaigns in Europe, was wounded twice in action. The Peotone man's bogus record listed awards of the bronze star, the Belgian Fourragere and the purple heart with cluster.

Heavy Fog Delays Liner's Arrival
New York, May 28—(AP)—The British liner Queen Elizabeth, carrying two new ambassadors to this country and some 2,100 other passengers arrived here last night 12 hours behind schedule because of a heavy fog which blanketed New York harbor.

The new ambassadors are Sir Oliver Franks, 43, British envoy, and Dr. Vladimir of Czechoslovakia.

Faces Murder Trial In Picket's Death

Belleville, Ill., May 28—(AP)—Oscar Perry, 27-year-old St. Louis Negro, was indicted on a charge of murder by the St. Clair county grand jury today for the fatal shooting of a union picket at the Armour and Company plant in National City, Mo., May 9.

Witnesses said that Edward N. Hucks, 54, was shot to death when he and two other pickets tried to prevent three other Negroes from entering the plant, where 1,800 CIO United Packinghouse Workers were on strike.

Blonde Teenager Becomes National Spelling Champion

Washington, May 28—(AP)—A 14-year-old blonde from Black Horse, Ohio, (pop. 300) clinched her good luck penny and spelled like a pro today to win the longest, hardest national spelling bee in history.

Jean Chappellear, daughter of the town barber, Lewis Chappellear, became the champion of 4,000,000 grammar school kids by spelling some 80 words—and what words!

Jean's big chance came when Darrell Flavelle, a local boy who was the only other remaining contestant from the 40 finalists, muffed "oligarchy."

She whizzed through that, and became the champ when she got the next word—psychiatry—too.

The new spelling champion was sent here by the Akron Beacon-Journal. Her victory meant \$500 and a trip to New York. Darrell, competing for the Washington Daily News, lost \$500.

Third place and \$100 went to Rosemary Schirmer of White Oak, Ohio, who missed her 25th word, "ecclesiastic." She was sponsored by the Cincinnati Post and Station WCPO.

Communist Leader Says Party Won't Obey Mundt Bill

Washington, May 28—(AP)—William Z. Foster, leader of the American communist party, today attacked a bill designed to curb communist activities and told senators his party would not comply if it becomes law.

His blast came in the second day of hearings before the Senate Judiciary committee on the Mundt-Nixon bill which already has received a thumping endorsement from the House. Henry A. Wallace, third party presidential candidate, is the headline witness tomorrow.

Poster declared the bill would create a "fascist police state" and set up a "caste of political untouchables."

If the Mundt-Nixon bill were to pass, the communist party would be perjure itself by admitting any resemblance to the monstrous caricature of its nature and purposes drawn in this bill," he said.

The measure would establish heavy fines and jail sentences for trying to set up a foreign-controlled totalitarian dictatorship in this country. The communist party would be required to register annually with the Justice Department, and furnish the names and addresses of its members. Failure to register, or false registration, would be punishable by up to five years' imprisonment and \$5,000 fine.

Distorted Meaning
The secretary accused the Soviet Union of "completely distorting the meaning" of American ambassador Walter Bedell Smith's statement on American policy to Soviet foreign minister Molotov early this month.

By striking two key sentences from Smith's statement was published, Marshall said, the Russians sought to create a false impression that the United States was making

Accept Lebanese Terms For Release Of 41 Americans

Washington, May 28—(AP)—The State Department arranged for the release of 41 seized American Jews today on terms laid down by the Arabs.

These terms are that the 41 come back to the United States instead of going to Palestine.

The men were forcibly removed from a United States merchant ship by the Arab state of Lebanon. Lebanon contended they intended to fight against the Arabs in the Holy Land.

U.S. efforts to get them released unconditionally failed. They then were faced with a choice of staying indefinitely in concentration camps or coming back to this country.

The State Department announced that they had been polled and that all had chosen the latter alternative.

When Michael J. McDermott, State Department press officer, made the announcement to newsmen, one reporter asked whether the arrangement was not a blow to U.S. prestige in the Arab world. He said it was not.

Today's development eased, but did not settle, a 10-day controversy which led to two formal American protests.

The State Department stuck to its contention that the seizure was illegal under international law. Lowell C. Pinkerton, American minister at Beirut, the Lebanese capital, was instructed Wednesday to file a second protest, the details of which have not been made public.

Government Plans To Send Military Supplies To Iran

Washington, May 28—(AP)—The United States plans to send tanks, fighter planes and guns to Iran so that the little country, a neighbor of the Soviet Union, can maintain its "security," a Senate committee was informed today.

The same group—the Senate appropriations committee—was told by another witness that America has saved Greece from communism, but that continuing military aid is needed to establish that nation's security.

John D. Jernegan, chief of the State Department's division of Greek-Turkish-Iranian affairs, disclosed the plan to ship military supplies to Iran.

All the tanks, fighter and cargo planes, guns and ammunition and other military supplies earmarked for Iran are surplus, he said. Their original cost was around \$60,000,000, but the present depreciated total is closer to \$36,000,000, he added.

Jernegan said the arms will be used to maintain international security of Iran.

Senator Bridges (R-NH) asked if there was any chance that the Iranian army might use them against the Jews in Palestine.

Jernegan said no. He said Iranians are Mohammedans but are not on good terms with the Arabs.

NEW EARNINGS TAX
Jefferson City, Mo., May 28—(AP)—Gov. Phil M. Donnelly signed today a bill imposing a one-half of one per cent earnings tax on St. Louis workers and corporations.

FM APPLICATION
Washington, May 28—(AP)—An application for a new FM broadcast station was filed today with the Communications Commission by Robert L. Kern and Richard P. Kern, trading as the Belleville News-Democrat, Belleville, Ill.

Congressmen Set June 19 As Date For Adjournment

Washington, May 28—(AP)—A June 19 target was set officially today for adjournment of Congress by Republican leaders who asked lawmakers to work overtime—even at night—to attain it.

Senate committees were asked to abandon all except emergency meetings so Senators could give more time to legislation already on the calendar.

Chairman Taft (R-Ohio) announced the GOP policy committee's decision and listed the order for top bills.

A dozen or more important measures, plus the regular government money bills, are on tap. And time is short—three weeks until the Republican national convention in Philadelphia.

First on the Republican list of legislation to be cleaned up is the displaced persons bill. Second is the draft. Third is a resolution by Senator Vandenberg (R-Mich.) favoring Western European or other regional defense alliances that may be formed under the United Nations.

No date was set for consideration of civil rights legislation or the bill passed by the House to extend the reciprocal trade act that expires June 12.

The backlog also includes a House-passed bill aimed at hamstringing the Communist party, and a proposal to extend terms of atomic commission members until 1950.

Taft said Tuesday to map the full program.

Boy, 14, Admits Suffocating Child After Quarrel

Chicago, May 28—(AP)—A husky 14-year-old boy related today that he suffocated an eight-year-old girl playmate with a pillow because she wanted to borrow too many of his comic books.

"She screamed for five minutes; then her body went limp," the boy, Roy Adams, told police.

The victim was curly-haired Nancy Schuler, who lived with her father, stepmother and half sister in a near northwest side apartment. Because of her petite size and cuteness, she was known in the neighborhood as "The Little Doll."

The Schulers live across the hall from the Adamses.

No charge was filed against the boy. However, after he admitted the assault at an inquest the coroner's jury recommended that he be charged with the grand jury on a murder charge.

The girl's body was discovered yesterday, lying face down on a bed in the Adams boy's bedroom. Piled on top of her were pillows, blankets, a chair and a bookcase. A fire department squad worked nearly two hours in a futile effort to revive her.

It, Patrick Coughlin said the investigation was thrown off stride for a while when Roy's brother, Donald, 9, who discovered the body, pretended he was the slayer. Further questioning, Donald changed his story and said he tried to take the blame "to keep the one who did it out of trouble."

Stranahan Finalist In British Amateur

Sandwich, Eng., May 28—(AP)—Frank Stranahan, the golfing prodigy from Toledo, stroked his way brilliantly into the finals of the British amateur today but Willie Turnesa of White Plains, N. Y., the defending champion, couldn't make it.

Willie, youngest of a famous golfing family, bowed out on the 18th green after having waged a gallant uphill fight against Charlie Stowe, an English Walker Cup star, in the semi-finals. It was the first time in six rounds of title play that Turnesa had been carried past the 18th hole.

Stranahan, a heavy favorite to vanquish Stowe in tomorrow's 36-hole final and win his first major title, spanked around the royal St. George's course in two strokes under even four for the 33 holes he needed to subdue two opponents today.

Chrysler Strike Settled For 13c Hourly Wage Hike

Old City Of Jerusalem Falls

Cairo, May 28—(AP)—Arab Legion and Israeli commanders fed armor and artillery into the mounting battle for Latrun tonight after hungry, outnumbered Jews in Jerusalem's old city surrendered to King Abdullah's siege forces.

The victory of the Trans-Jordan troops in the old city was not a decisive one. The battle for a bigger prize—all of Jerusalem—was being fought out 14 miles west of the Holy City on the vital highway from Tel Aviv.

Israel's army announced that its troops captured the Arab villages of Beit Jiz and Beit Susin just south of the highway and a little more than a mile from Latrun.

Bombers Attack Jews
An Egyptian defense ministry communique said tonight Egyptian

bombers attacked and dispersed Jewish troop concentrations which were attempting to open the Jerusalem-Tel Aviv road at Bab El Wad, 11 miles west of the Holy City, Bab El Wad is four miles east of Latrun. The number of planes or troops involved was not given. The communique also said Egyptian planes raided Jewish settlements between Tel Aviv and Gaza.

A Tel Aviv dispatch said there were indications the Latrun engagement might be the decisive one in the Palestine war. The British-controlled Near East radio quoted a correspondent as describing the battle there as the largest yet fought in the Middle East war.

Both sides have been pouring in reinforcements, Jerusalem dispatches said. Thousands of Arabs and Jews are now reported engaged in the struggle.

Even before the battle for Jerusalem's old city was decided the Arab Legion was reported to have drawn troops out of the Jerusalem area and rushed them to Bab El Wad gorge in an attempt to stem the Jewish attack.

The Jews began the offensive Monday and met a heavy concentration of Arab forces. Beit Jiz and Beit Susin fell to the Jewish troops after they swept south of the highway in a flanking move last night.

To open communications to the 80,000 to 90,000 Jews besieged in the modern sections of Jerusalem the Jews must not only clear Latrun, the site of a picturesque monastery of monks pledged to silence, but also must gain command of the heights overlooking Bab El Wad gorge.

Seven Men Killed As Army Transport Crashes In Storm
Baton Rouge, La., May 28—(AP)—A twin engine C-47 army transport plane crashed during an electrical storm in a corn field 20-miles southwest of here last night killing the seven men aboard.

Wreckage was scattered over at least an acre.

The plane was enroute from New Orleans to its base at Roswell, N.M. P.A. Martin, employee of the Slack Bros., plantation near Rosedale, La., where the crash occurred, said the wreck was not discovered until today because of the storm.

"The plane hit the ground nose first and apparently exploded," he said. "It dug a hole 10 to 15 feet deep and 18 feet wide at the top, as long as the plane."

"It is the worst demolished thing I have ever seen. Pieces of plane and portions of bodies are scattered for hundreds of feet around. There are some portions of the plane in three spots. The plane itself is in hundreds, not dozens of pieces. There doesn't seem to have been any fire, but the plane apparently exploded as soon as it hit."

The dead were identified by the national guard as 1st Lt. Philip R. Vaughn, the pilot; 2nd Lt. K. R. Bailey, co-pilot; Capt. H. E. Zetler, master sergeant; H. Human, all of Roswell field; and three enlisted men who were hitch-hiking to their bases of the West Coast.

Names of the hitch-hikers were given as W. J. Gost, G. K. Christian and D. W. Davis. The national guard said Christian was believed to be stationed at March Field and Davis at Hamilton Field.

No home addresses were available.

Lawmaker Charges Sabotage Earmarks 'Voice' Broadcasts
Washington, May 28—(AP)—A congressional investigator charged today that Voice of America "smear" broadcasts have "the earmarks of deliberate sabotage" but a radio official said no evidence of sabotage had been found.

The accusation was hurled by Rep. Chenoweth (R-Colo.) during an investigation of broadcasts made by some legislators said, slandered American states and customs.

The National Broadcasting Company, through Vice President Charles R. Denny, took a share of the blame for the broadcasts.

"We are not ducking responsibility," he said, and then declared that his company has no evidence of any sabotage attempt.

State Department officials also accepted partial blame for the broadcasts. "In the future, we must have prior supervision over every one of these scripts," said George V. Allen, assistant secretary of state.

Chenoweth told Allen sternly: "Congress never intended for the State Department to turn over all responsibility to the NBC or any other private broadcasting company."

Earlier an official of the State Department, which is in overall charge of the "voice," said the broadcasts resulted from a "slippage" in NBC.

The House Expenditures subcommittee headed by Chenoweth is the first to hold public hearings into a travelogue series broadcast by NBC last winter for the State Department. Separate inquiries have been launched by the White House and two Senate committees.

RETRIAL REFUSED
Crown Point, Ind., May 28—(AP)—Retrial of Thomas Kallis, East Chicago man accused of the fatal hotel room stabbing of an Illinois veteran, was refused today by criminal court Judge William J. Murray.

Convicted Jan. 4, Kallis is sentenced to die Sept. 3 for the death of George Stocks, 33, Johnston City, Ill., army air force veteran.

Back Soviet Call For Force On Palestine

Lake Success, May 28—(AP)—The United States joined amid cheers today in Russia's demand for United Nations force to stop the Palestine fighting.

U. N. delegates generally conceded, however, that the Security Council is not yet ready to approve the strongest measures possible under the charter.

Instead, informed sources said, the council was more likely to adopt some version of Britain's plan for one final try at peaceful mediation before getting tough.

No Vote Taken
France and Colombia endorsed the Russian resolution during the afternoon session but the council did not reach a vote tonight. It adjourned at 3:33 p.m. (CST) until tomorrow at 8:30.

The council received a telegram from its American-Belgian-French truce commission in Jerusalem saying the Holy Sepulchre was in imminent peril from Arab bombardment.

Another telegram from the same source said the Jewish military commander in Jerusalem had informed the truce commission the Jews would take reprisals of holy places if the Arabs continued to shell the great synagogue.

Sent Before Capture
These communications apparently were sent from Jerusalem before the Arab capture of the old city today.

Andrei A. Gromyko, Soviet deputy foreign minister, fighting to persuade the council to take strong action to stop the war, said he wanted to speak tomorrow before a vote is taken.

Warrior R. Austin, chief U. S. delegate, told the council "the United States supports the draft resolution proposed by the Soviet Union."

The Russian measure was almost identical with a U. S. proposal ditched by the council last Saturday.

Cheers and hand-clapping broke out as Austin spoke in the crowded chamber. The noise momentarily drowned out the gavel-banging of France's Alexandre Perotti, the council president for May.

Austin said he would clear the chamber if the people applauded or demonstrated again.

FARM PRICES DOWN
Washington, May 28—(AP)—Farm prices went down slightly today. Mid-April and mid-May the Agriculture Department reported today.

Prices paid by farmers for commodities used in living and in crop production, on the other hand, increased a little.

Citizens originally came from southern Asia and have been grown for more than 4,000 years.

Smuts Resigns As Premier Of South African Union
Capetown, Union of South Africa, May 28—(AP)—Field Marshal Jan Christian Smuts, 78-year-old British empire statesman, resigned as premier today and prepared to turn the office over to his successful nationalist rival in Tuesday's elections.

The governor general called to bid him a new government Dr. Francois Malan, 74, whose nationalists favor a policy of isolation from British empire affairs, strict segregation of non-Europeans such as Indians and African natives in separate districts, and development of mineral resources under state control.

Premier For 14 Years
Smuts, prime minister for 14 years from 1919 to 1924 and 1939 to 1948, was defeated in a campaign fought mainly on the color issue. His united party and labor allies won 71 seats in the final results, while the combined nationalist-Afrikaner opposition added up 79.

Julianus the Nationalist Press called the overturn a "Revolution."

Workers Get 2c More Than GM Employees

Detroit, May 28—(AP)—The 17-day Chrysler strike was settled tonight for a flat 13 cent hourly wage increase.

The corporation's 75,000 CIO United Auto Workers got two cents more an hour than General Motors 225,000 employees under an adjustable wage formula.

The strike was called May 12 over the union's demand for a 30-cent raise and several non-wage benefits. The increase will boost Chrysler's average hourly wage for production workers to \$1.63.

Salaried employees' pay was boosted about nine percent, with a floor of \$20 a month.

UAW officials said the strike would be called off officially at midnight tonight.

Norman Matthews, director of the UAW's Chrysler department and leader of the strike, said the Chrysler strike had "cracked the solid opposition to wage increases in the auto industry, a position in which auto management was allied with the steel, electrical and other industries."

Both company and union officials issued statements as the settlement was announced.

The company said production probably can not be resumed before June 7 because of the annual inventory already underway.

But the company said maintenance crews and a few other workers will be called back starting tomorrow.

No Comment On Prices
Chrysler declined comment as to whether car prices would be raised as a result of the settlement.

The agreement came under a wage reopening clause in the two-year Chrysler-UAW contract which was to have run until next April.

The UAW said the settlement would cost Chrysler \$23,700,000 a year.

A company spokesman estimated the strikers lost \$900,000 a day and the company lost 5,000 cars and trucks a day during the tieup.

Subject To Approval
The agreement is subject to approval by the UAW International Executive Board and the rank and file of Chrysler workers.

The UAW called meetings of all Chrysler locals for Sunday to vote on the proposal.

About 1,700 employees in certain departments were granted an additional three to 10 cents an hour under the agreement.

The settlement came a short time after Governor Kim Sigler made an unexpected appearance at the negotiations. He stayed with the conferees for about five minutes before returning to the state capital at Lansing.

Sigler had been instrumental in getting the union and company officials together after the strike began.

White House Tries Again To Settle Railroad Dispute
Washington, May 28—(AP)—The White House tried again today to bring about a settlement of the railroad labor dispute, but made "no progress" in daylong negotiations.

John R. Steelman, presidential assistant, who conferred with both groups, said through a White House spokesman:

"No progress has been made this week."

It was announced, however, that the railroad and union leaders will return to his offices next Tuesday morning. No definite hour has been set.

Steelman called leaders of both sides to the White House after Justice T. Alan Goldsborough had extended until June 11 the temporary court order that prevented a rail strike.

The White House announced in mid-afternoon that the negotiators were there.

Steelman, a White House spokesman, wanted to talk to them about something he "has been working on for some days."

The deadlock was like this: the railroad operators had accepted the report of an emergency board which recommended a wage raise of 15 cents an hour and several changes in working rules, but they wouldn't go any further. The unions insisted the board's report wasn't enough.

Convention Ticket Shortage Develops In Philadelphia

Philadelphia, May 28—(AP)—The greatest ticket shortage in the history of Philadelphia is developing as the Quaker city readies spacious Convention Hall for three national political conventions.

The admission tickets can't be bought or sold. Only sure way of latching on to one is to be—or know—a big wheel member of the Republican, Democrat or New party.

The Republicans, who open their convention at noon June 21, estimated today there will be only 4,000 to 5,000 tickets left for the general public after the official convention family is seated.

Convention Hall has a seating capacity of 13,000. An additional 1,000 can be placed on the huge stage of the 17-year-old building.

Thelma Trescher, assistant to the chairman of the GOP National Convention committee, estimated that around 9,000 tickets will be used up for the "official convention family."

To get one of the remaining duds, the seeker must make a formal application to the national committee member of his side.

The Democrats have not announced how many tickets they will have for Mr. and Mrs. Average Citizen. But their convention, opening Monday, July 12, has 1,500 delegates, and an equal number of alternates, plus the party's official family of office holders and their wives.

Delegates and alternates to the founding convention of Henry A. Wallace's new party, July 23, 24 and 25 will use up 2,500 tickets and the remainder of the duds will be allocated by the national committee.

Convict Muscarello Of Manslaughter
Valparaiso, Ind., May 28—(AP)—Joseph Muscarello, 35-year-old Chicago cabinet maker, convicted of voluntary manslaughter in the swamp slaying of his Chicago sweetheart, Mrs. Irene Shawky, was taken to the state prison today to begin serving 20 to 21 years.

Judge Walter M. Crisman imposed the sentence, which is mandatory on the charge on which Muscarello was convicted.

The jury brought in its verdict about a half hour after midnight. It had been given the case at 4:27 p.m. yesterday. Sentence was pronounced at noon.

DIES IN KOREA
Washington, May 28—(AP)—Pfc. Kenneth R. Wolf of Harvard, Ill., died May 13 in Korea of an accidental gunshot wound, the army reported today.

ILLINOIS IN THE TREE NURSERY BUSINESS

Although the two State Forest Tree Nurseries in Illinois will distribute 5,000,000 seedlings in 1948, production plans all for an output of 15,000,000 annually within the next few years to meet estimated reforestation demands, according to the University of Illinois Bureau of Economic and Business Research.

Almost 50 percent of the state's 35,000,000 acres originally was forested. This acreage had been reduced to 10 percent a few years ago, and Illinois had more than 3,000,000 acres of marginal, gullied, or idle land better suited economically to the production of forest crops than to any other agricultural use.

Realization of these facts caused Illinois to look to the future. The two State Forest Tree Nurseries, now ranked among the best in the United States, began distributing forest trees on a practical scale in 1935, with the work in charge of the Division of Forestry, Department of Conservation.

The nurseries have distributed 48,000,000 trees and wildlife plants at cost to farmers, sportsmen's clubs, coal strip mines, schools, town forests, and other landowners, or state forests.

Trees obtained from the state must be used only for reforestation and erosion control. Seedlings are sold at \$5 a thousand; transplants at \$10 a thousand. Thousands of seedlings which have been planted around Lake Jacksonville were obtained from the state nurseries.

To produce one-half the stock required by Illinois landowners the Union State Tree Nursery in Union County grows one-year seedlings of ash, walnut, red oak, white oak, black locust, cottonwood, sycamore, pitch pine, sweet gum, tulip poplar, loblolly pine, Virginia pine, shortleaf pine, and cypress. The last six of these species are suited only to the southern half of the state.

At the Mason State Tree Nursery in Mason County are grown one-year seedlings of Osage orange, soft maple, and black locust; two-year seedlings of jack pine; and four-year transplants of red pine and white pine. The three pines named are for use in the northern half of Illinois.

If forestry continues to advance as it has in the past few years, the enormous task of providing trees for the 3,000,000 acres in Illinois will not seem so formidable.

Falls On Street And Breaks Leg

John J. Gigners, 40, was the victim of a painful accident Friday night when he stepped from the curb on North Main street, fell and broke his right leg.

Passers noticed McNamara in a helpless condition and notified Lt. Howard Stout of the police department, who went to his assistance. The injured man was taken to Our Saviour's hospital by Chief Kiloran, Capt. Flynn and Lt. Stout.

Dr. T. O. Hardesty examined McNamara and reported that the right leg was broken between the ankle and knee.

McNamara is expected to remain in the hospital for several weeks.

Cass Farmer Wins High Recognition

Cheslea C. Taylor, of Virginia, Cass county, well known throughout the state as a corn grower, is featured in a full-page, four-color advertisement in the June Country Gentleman.

The advertisement is the ninth in a series being sponsored by The Studebaker Corporation featuring famous American farmers and the men who own and operate them. It shows his home and a view of his farm land, pictured above. An outdoor portrait of Mr. Taylor is also featured. The paintings were made by the well-known American artist, Frederic Teller.

Born on the farm which he now works with his father, John H. Taylor, Mr. Taylor is a graduate of the school of agriculture at the University of Illinois. He was declared "Illinois Corn King" in the summer of 1946 by the Illinois Crop Improvement Association. He is a member of the Cass County Farm Bureau and a 4-H club leader.

In addition to farming 1,950 acres in the Sangamon river bottom, Mr. Taylor is currently teaching five sections of G.I.'s in agriculture and assisting them with their on-the-job training.

85 Year Old Man Serves As Pastor Of Tented City

The Rev. Doe Waddell, one of the most interesting figures in the circuit of America, and one of the oldest, visited the Jacksonville office Friday morning. Rev. Waddell travels with Mills Brothers circus as chaplain and spiritual adviser.

Despite his 85 years, the veteran minister is active and alert, making the daily jumps from town to town with the circus. He speaks before service clubs, visits jails, and holds services for circus employees on the grounds each day.

Rev. Waddell recalled that one of his early advisers in the Methodist ministry was the late Bishop Earl Cranston, who was pastor of a Jacksonville church many years ago.

At Springfield Thursday night, Rev. Waddell performed his 66th wedding ceremony among circus people, when Miss Pauline Wickiser became the bride of Merle Park, chief assistant property man. The newlyweds remained with the circus for the performances Friday, and will take a honeymoon at the end of the season.

DeMolays Honor Donald H. Littler At Granite City

Donald H. Littler, 220 East Greenwood, Ritual Dad of the Louis Henry Clampt Chapter, Order of DeMolay, was honored Wednesday evening, May 26, with the coveted Legion of Honor Degree of the Order of DeMolay. The Degree was conferred in the Granite City, Ill., Masonic Temple at 8:30 p. m.

The Legion of Honor Degree is conferred only on past DeMolays who are at present past 22 years of age and who have reached some degree of success in their chosen field. The award is made by Grand Council, Order of DeMolay, in Kansas City, Mo., by Frank S. Land, Secretary General of the Order.

A group of ten from Jacksonville was among the large audience that witnessed the impressive ceremony of the highest Degree obtainable in the Order DeMolay. They were Mr. and Mrs. H. Littler, Mrs. Donald H. Littler, Frank Keppeler (Second Ritual Dad), William Sullivan, M. O. Dean Sims, P. M. C. Jack Peak, J. C. Garland Pires, Pre. Jack Moore, and Scribe Bill Jarrett.

The local chapter announced that final plans for its twentieth Anniversary celebration this week end are complete. A large number of persons are expected to attend the DeMolay Ball Saturday night at the I.S.D. gym during the hours of 8-12:00. Ted Mikita and his Top-hatters will furnish music for dancing. Sunday morning, the chapter and all visiting chapters will attend the First Baptist church in a body. At three o'clock Sunday afternoon sixteen young men from Jacksonville and Waverly will receive the Initiatory Degree. The local officers are planning to confer the Degree.

At 5:30 p. m. Sunday, the Anniversary Banquet will be served in the Masonic Temple. Mayor Hoagland will be the guest of honor. The evening Past DeMolay Willard G. Goff will serve as toastmaster and Dr. Francis Angel, and I. C. Albert Hoagland will also speak.

At eight o'clock Sunday evening twenty young men will receive the DeMolay Degree at the Masonic temple.

Blind Alumni Group To Meet Here June 3-6

The twenty-ninth reunion of the Alumni Association of the Illinois School for the Blind will be held here June 3 through June 6. Approximately 250 persons are expected to attend.

The three-day conference will open Thursday afternoon with registration at the school. A supper will be served in the evening, followed with a reception by the superintendent, faculty and staff of the school for alumni members.

Friday's session will be highlighted by an informal exhibit of special appliances by the Technical Research Department of the American Foundation for the Blind, with Charles G. Ritter, supervisor, in charge.

Among the many devices to be shown are an analyzer for taking radio and electrical measurements, thermometers, timers, a slide rule for engineers, a micrometer for blind machinists, rulers accurate to a sixteenth of an inch, a gadget to make bacon cook through without turning, a knife which can be adjusted to cut meat to any thickness and a specially adapted chess set for sightless players.

A sing on the porch of the high school girls' cottage will conclude Friday's program.

At 9 a. m. Saturday a memorial service will be held in the chapel, followed by a business session. Informal discussions are scheduled for the afternoon.

A banquet and dance will be held Saturday evening in the school gymnasium. The conference will end at 12:30 p. m. Sunday with a dinner.

"Drive in Futuramic Style every Hydra-Matic Mile!"

Here's the car that's inspired new words for "My Merry Oldsmobile." It's the Futuramic '48, a brand new model that's leading the way into a new Golden Era of progress and advancement!

Whirlaway
WITH GM HYDRA-MATIC DRIVE

It's the smash hit of the year... the big success story of 1948... the car that has all America singing its praises! Everywhere it goes, the Futuramic Oldsmobile goes over in a big way. Watch how people gather 'round to inspect that massive Futuramic front end... those flowing Futuramic fenders... that smartly tailored Futuramic interior.

Then watch the face of the lucky driver. He's got that "Futuramic Feeling." It's more than just the smoothness of a coil-cushioned ride. It's more than just the simplicity of "no-clutch, no-shift" Hydra-Matic Drive. It's even more than the breath-taking thrill of stepping down on the accelerator and feeling that surge of power as WHIRLAWAY goes into action. That "Futuramic Feeling" is a combination of all these Oldsmobile features—topped off with a goodly measure of pride at driving the best looking of all the new cars on the roads today!

Two New Teachers Added To Bluffs School Faculties

Bluffs—Two new teachers employed for the coming school year by the Bluffs school system are George Krog and Mrs. Vernon Krems.

Krog, who has been teaching in Chambersburg for the past two years, is a resident of Bluffs. He will direct physical education in the grade school and will teach science and mathematics in the high school. Mrs. Krems, a graduate of Bluffs schools, has been teaching for the past several years at Exeter school. She will teach the third grade in the local elementary school. In the past both the third and fourth grades have been taught by Miss Dorothy Cox, but the grades are now being separated and another teacher employed. Mrs. Krems is the former Miss Isabelle Hubbard.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, May 28 — (AP) — Mostly steady prices ruled in livestock marketing today. Some lightweight hogs were 25 cents higher and some heavy hogs 25 cents lower. Cows varied somewhat also in being weak to 25 cents lower.

Most good and choice butcher hogs received \$19 to \$24.75, the top, while some were \$17 to \$18.50.

A few loads of choice steers made \$24 to \$34.75 while medium to good were \$21 to \$33.50. Good light heifers had \$32.25. Grass-fat southwest cows sold up to \$25.25, weighty sausage bulls to \$25.75, and vealers to a practical top of \$30.

Salable sheep receipts were too scant to make a market test and prices were called nominally steady. Total receipts included 11,000 hogs, 2,300 cattle, 300 calves, and 1,000 sheep.

SOYBEANS SPURT FOR 2ND STRAIGHT DAY IN BRISK TRADING

Chicago, May 28 — (AP) — With soybeans spurring as much as eight cents for the second straight day, all commodities on the Board of Trade advanced today. Trading, slow at the start, picked up speed later in the session.

Strength of soybeans reflected prospect of Senate action on a bill to repeal federal taxes on oleomargarine, already passed by the House. All crude vegetable oils advanced in the east. Cash dealers bid 1 cent a bushel over the July price for beans on track at Illinois stations.

Wheat was aided by a pessimistic Kansas crop forecast, government buying of flour for delivery at Pacific Coast ports and a pick-up in domestic flour business. Firm prices for cash grain helped corn and oats, although purchases of corn on a to-arrive basis from the country expanded to 100,000 bushels.

Receipts were: wheat 8 cars, corn 88, oats 22 and soybeans 11.

Wheat closed 1 1/2 to 2 cents higher, July \$2.35-1/2, corn was 11-11 1/2 higher, July \$2.17-1/2, oats were 11-11 1/2 higher, July \$1.92-1/2, and soybeans were 8 cents higher, July \$4.17 1/2.

New York Stock Market

New York, May 28 — (AP) — A brisk pick-up in demand for Alcoa stock helped lead the stock market to a slow decline in the stock market today.

Near the close gains and losses were about evenly distributed with changes either way limited largely to fractions.

Aside from the flurry of buying of Alcoa stock, activity was comparatively slow. Volume for the day ran around 1,500,000 shares.

Higher prices were paid for Boeing, Grumman, Chrysler Corp., Standard Oil (N.J.), Gulf Oil and Schenley. Losers included Youngstown Sheet and Tube, and Phelps Dodge.

Markets at a Glance

New York, May 28 — (AP) — Stocks — Quiet, steady in demand. Bonds — Narrow; some falls improve. Cotton — Higher; short covering. Chicago — Wheat — Steady; government, private trade flour buying. Corn — Firm; cash grain in good demand. Oats — Firm; aided by corn strength. Soybeans — Sharply higher; closed up daily limit. Hogs — Unevenly 25 cents higher to 25 lower; top \$24.75. Cattle — Generally steady; top \$34.75.

Final Qualifying Trials For "500" To Be Run Today

Indianapolis, May 29 — (AP) — The greatest traffic jam in Indianapolis Motor Speedway history may come today as a score of cars roar around the oval trying for a spot in the 33-car starting field.

Thirty cars already have qualified to start in the 500-mile race Monday. This means that today — the last day of qualifying — the drivers will step on the gas to try to snag one of the openings or travel faster than the slower cars did in qualifying and move them out and take their places.

Complicating the situation is a shortage of drivers experienced on the 2 1/2 mile track. Of the more than a score of cars which likely will run today eight either lack drivers or have new men who have not passed their test to drive on the big track.

Wholesale shifts in drivers appeared likely as some of the speedway veterans shopped around for cars they thought had a reasonable chance to get in the line-up. One driver said he figured he might as well go home unless he can get a car that will run faster than 122 miles an hour.

After the three openings are filled, a car must beat the speed of a previous qualifier to take its place.

H. C. (Cotton) Henning caused a flurry at the track Friday when he said he was "almost positive" someone had put something — sand, dirt or handsoap — in the engine oil of the car Ted Horn, American Automobile Association champion, will drive.

The car was damaged slightly but will be ready to go Monday.

The Tucker rear-engine special, driven by Al Miller of Standish, Mich., still was a potential qualifier after throwing a rod in its first trial run.

Wildcats Maintain Golf, Tennis Lead In Big Nine Meets

Evansville, Ill., May 28 — (AP) — Northwestern, defending champion, maintained its lead in the Big Nine tennis meet today with a total of 17 points at the end of the semi-finals — 21 points ahead of Michigan.

Michigan and Northwestern enter tomorrow's finals with four survivors each in the singles. The Wildcats, however, have three doubles teams still in the running and the Wolverines two.

Other team scores after today's second round: Wisconsin, 104; Illinois, 7; Minnesota 51; Ohio State 2; Purdue 1, Iowa 1, Indiana failed to score.

Northwestern's chance of retaining the singles crown was blasted when Andy Patton of Michigan defended title, 8-6, 6-3. Patton and Ken Boyum of Minnesota tangled for the single championship tomorrow.

Northwestern also took the first round lead in the Big Nine golf championships Friday with a five-man team total of 365.

Michigan, the defending champion, trailed in second place with 388 and Ohio State was third with 389.

Other team scores: Minnesota 390; Purdue 394; Illinois 399; Indiana 409; Wisconsin 400, Iowa 410.

Ohio State Blanks Illini 6-0 To Knot Up Big Nine Race

Columbus, Ohio, May 28 — (AP) — Pitcher Pete Perini rattled Illinois batters to six scattered hits today and Ohio State blanked the Illini, 6-0, in a Big Nine baseball game that scrambled the conference standings.

It was Illinois' second defeat of the season and forced them into a deadlock for the Big Nine lead with Michigan. Michigan topped Northwestern today, 8-0.

Burdette Thunby, Illini right fielder, was injured in that wild fourth frame. He collided with second baseman Herb Pleva going after Perini's Texas league double.

The 19-year-old sophomore from Kirkland, Ill., is a patient at University hospital.

The Bucks and Illinois play again tomorrow.

Illinois' record now stands 3-2. Ohio State 4-1, Michigan 3-1, Northwestern 2-1, Purdue 1-1, Indiana 0-1, Wisconsin 0-1.

Chicago 10 Cincinnati 8, Brooklyn 7 Boston 5, St. Louis 1, Pittsburgh 1 (game called at end of sixth because of rain).

Scores

College Baseball: Ohio State 6; Illinois 0; Michigan 8; Northwestern 0; Minnesota 9; Indiana 3; Purdue 9; Iowa 3; Wheaton 5; Chicago Teachers 3; Illinois Tech 10; Valparaiso (Ind.) 11; Western Illinois 4; Northern Illinois 2; Bradley 24; Louisiana Tech 7.

Big 9 Track Marks Broken Yesterday In Preliminaries

Madison, Wis., May 28 — (AP) — Shot-putter Charley Fonville of Michigan and discus-thrower Fortune Gordien of Minnesota smashed records, as expected, and favored Ohio State set a fast qualifying pace in the 48th Big Nine outdoor track and field meet today.

Fonville, who already has bettered 58 feet this season, cracked his own shot-put mark by nine inches with a trial of 64 feet, 10 inches.

Gordien, like Fonville a top American Olympic prospect, whirled the iron platter 174 feet, four inches, shading the conference record by three inches. The old mark was 174 feet, 1 inch by Indiana's Archie Harris in 1941.

Ohio's Buckeyes, displaying fine balance, qualified 16 athletes in this afternoon's nine-event preliminaries at sun-drenched Camp Randall stadium. Finals in all 14 events are scheduled tomorrow afternoon.

The Buckeyes, who placed three men in the six-man 440 finals and four among the nine 880 qualifiers, probably will get their most serious opposition tomorrow from Michigan.

The Wolverines' Herb Barton easily won his half-mile heat and looms as a double winner in the 880 and mile tomorrow.

Illinois dashed Michigan in qualifiers, nine to eight, but in the finals the defending champion Illini are expected to feel the loss of such 1947 stars as Herb McKenley, Bill Mathis and Johnny Twomey, all individual champions last year.

Northwestern qualified seven, followed by Minnesota and Indiana with six apiece, Wisconsin with four and Purdue and Iowa with one each.

Cubs Blast Reds 10-8 In Friday Night Slugfest

Cincinnati, May 28 — (AP) — Cincinnati scored eight runs on homers tonight but they were not enough as the Chicago Cubs came up with five and four-run innings and went on to win 10-8 before a crowd of 18,972. Hank Sauer, Redleg left fielder, clouted his 11th and 12th round-trippers to drive in four runs. Grady Hatton and Johnny Wyrostek also homered for the losers.

Line score: Chicago 10, Cincinnati 8. Cincinnati: 430 100 000-8 18 1. Chapman, Rush 1, Doherty 5, and Scheffing, Fox, Raffensberger 3, Gumbert 6, Lively 8 and Lamanno.

Phila Take Protested Game

New York, May 28 — (AP) — Home runs by Dick Sisler and Eddie Miller and Richie Ashburn's four hits sparked the Philadelphia Phillies to a 6-3 victory over the New York Giants tonight. The Giants announced they were playing the game under protest in the ninth inning following a disputed play at second base.

Line score: Philadelphia 6, New York 3. Philadelphia: 300 010 110-6 14 1. New York: 001 100 010-3 8 2. Leonard, Keintzelman 9 and Semlinick; Jansen, Jones 8, Hansen 9 and Westrum.

Dodgers Whip Braves

Boston, May 28 — (AP) — The Brooklyn Dodgers tonight whipped the Boston Braves 7 to 5 in a two-hour and 56 minute contest before 37,627 paid fans, the largest home crowd of the season. The loss dropped the Braves into a tie for fourth with the Pittsburgh Pirates.

Line score: Brooklyn 7, Boston 5. Brooklyn: 213 010 100-7 15 2. Boston: 101 000 201-5 9 1. Hatten, Taylor 7, Ramsdell 9 and Hodges; Sain, Hogue 3, Sain, Hogue 3, Prendergast 8, Barrett 3 and Mast.

Granite City Wins State Prep Title By 4-1 Victory

Peoria, Ill., May 28 — (AP) — Granite City, a strict dardhouse entry, won the Illinois State High School Baseball championship tonight by defeating New Athens 4-1.

Granite City, which entered the tournament with an 8-7 record — poorest of the field — was limited to six hits by New Athens Pitcher Bud Wirtz, but they were made at opportune times. Catcher Carl Linhart led the attack with two triples. His second three bagger in the third inning drove in two runs.

In the second inning, Linhart led off with a triple and scored on Art Borer's single. Jim Tedich's double bettered home the other Granite City run in the sixth.

New Athens' only run came in the second. Emil Klingensius singled and eventually scored on Bill Schriber's single.

In semi-final play Friday afternoon Granite City had beaten Niles 7 to 2 and earlier New Athens defeated Spalding high of Peoria 6-4.

Line score: New Athens 1, Granite City 4. New Athens: 010 000 000-1 7 2. Granite City: 012 001 000-4 6 3. Wirtz and B. Klingensius; Blak and Linhart.

Imported Acts Catch Circus-Goers Fancy

A pair of top-notch European acts, making their first tour of the United States, caught the fancy of two large crowds of Jacksonville circus-goers Friday as Unit 26, P.B.P.A., Jacksonville police presented the Mills Bros. circus at the Hemphill show grounds. But, a large number of American performers and the various animal acts also won the applause of some performances.

4,000 persons who witnessed the performance. The Catalas, a group of acrobats from Denmark who performed on the rolling globes, were probably the highlight of the entire two-hour parade of displays. Featuring three men and a lovely young girl, the act captured the attention of the crowds when presented in the center ring.

Medinas Get Great Ovation. The other European act, the famous Renato Medinas, performed on unsupported ladders and also drew a great ovation.

The Knights, wizards of the slack wire, completely pleased and a sensational high perch act, featured a lady underlander, the only such act of its kind in the world, drew rounds of applause.

Four aerial displays presented high caliber entertainers. An Arabian tumbler and acrobat thrilled with his exhibitions, including a chain on hand-springs completely around the hippodrome track.

Horses, dogs, ponies, monkeys and, of course, Burmas, Mills big elephant, participated in this alpyfourfour participated in display after display. Burmas is said to give the finest single elephant act in the world and carried Virginia Noel, trainer, down the track in her mouth.

A large group of clowns assisted in keeping the show moving at a fast clip.

Prof. Robert Mills and a 19-piece circus band played for the acts.

Announce Pairings For Ladies' Golf Tourney At Club

Harriet Wood was opening day winner in the 18-hole class of the ladies' golf tournament at the Jacksonville country club on Saturday, May 22. Addie Brown won second place.

Mary Stells was winner of the nine-hole class, with Alice Marie Hartung in second place.

The pairings for the 18-hole class for Saturday, May 29, are:

Marian French and Lillian Bunch; Maud Andris and Emma Grant; Addie Brown and Harriet Wood; Mary Norris and Marie Keady; Yelva Goin and Betty Jacobs.

Pairings for the nine-hole class are:

Neil Day and Mary Stells; Betty Chmoweth and Margaret Flynn; Betty Flynn and Alice Marie Hartung; Vickie Doherty and Ruth Bradley.

Lunch will be served at 12:30 o'clock sharp.

House Of Clay 9 Downs Knights In Tight Tilt

The House of Clay edged out the Knights of Columbus 5-3 behind the two-hit pitching of Dick Johnson Friday night in an AA league practice game at Nichols Park. The tilt concluded a three-game program.

Pepsi Cola downed Nesco 6-3 in the second tilt of the evening, an A loop encounter. In the opening A league combat, the Moose squeaked out a 6-5 victory over the Elms.

Wood and Barfield hurled three-hit ball for the winners of the opener. But the Moose collected five hits off Neuman in winning the tight game.

Leffler's inside-the-park homer was the deciding blow in the first game.

Line score: Elms 2, House of Clay 5. Elms: 000 010-1 3 0. (Tie, game called end of sixth, rain).

Brechen and Rice; Ostermuelier and Klutz.

The hits were about even in the second game, but two Nesco errors figured in the scoring of Pepsi Cola, which didn't commit a bobbie.

Mitchell got his second round tripper in two games for the winners, but this time it was an inside-the-park affair.

Line score: Nesco 6, Pepsi Cola 3. Nesco: 011 00-2 6 3. Pepsi Cola: 100 32-6 7 0.

Trailing 3-1 going into the final frame, the House of Clay assemblage put on a four-run spree to take the decision.

Some walks, a bit of wildness by the K.C. hurler and two hits were combined with several errors by the House of Clay to gather the gamewinning tallies.

Hall's first-inning single and Fransen's triple in the fourth were the only K.C. blows.

Line score: K.C. 3, House of Clay 9. K.C.: 111 0-3 2 4. Clay: 104 x-5 5 1.

Obituary

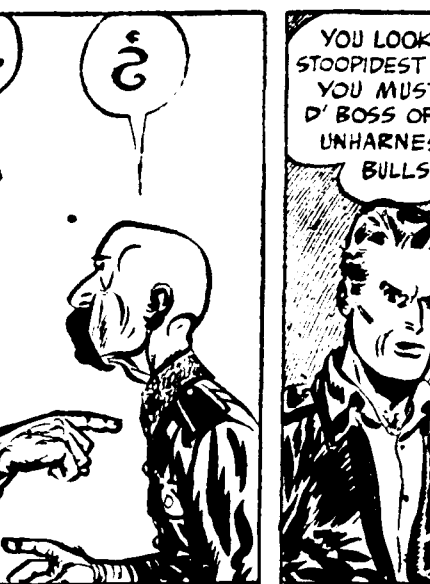

Cassander Flynn
A native of Morgan county, Cassander Flynn was born on Dec. 26, 1866, the son of the late James and Rosanna Flynn. His death occurred at his home here, 404 East Douglas avenue, on May 17, 1948.
Most of his life was spent in Waverly and Jacksonville. He was married to Grace Alkinson in April of 1930. She survives together with a half-brother, Alvin Flynn of Waverly, a half-sister, Mrs. Daisy McKee of Springfield, four grandchildren and three great grandchildren.
Mr. Flynn was preceded in death by one daughter, Mrs. Avis Jones, in 1939.
Funeral services took place at the Baptist church in Waverly, with the Rev. W. A. Ogden officiating. Mrs. Bertha Peebles and Mrs. Molland Elliott sang "Will the Circle Be Unbroken" and "When the Roll Is Called Up Yonder." They were accompanied by Miss Stella Rodgers. Mrs. Clarence Surber and Mrs. Fred Meadows cared for the floral offerings. The pallbearers were Archie Flynn, John Goacher, Loren Rhea, Charles Campbell, Fred Meadows and Lee Mull.
Burial was in Waverly East cemetery.

Nobody Loves Forever

By Margaretta Brucker
Copyright by Arcadia House, Inc.
Distributed by NEA SERVICE, INC.

THE STORY: Lucy discourages Jessica from training herself for a job, saying it would place an added burden on Mrs. Blake. She starts up when Jessica faints in the park when a car drives up and David Greer, jumps out. Her heart begins to race. She feels tongue-tied and self-conscious. David sits down beside Jessica with Betsy on his knees.

coffee and sandwiches and drive out to the lakes. Ever been there?"
It was absurd to deny that she wanted to accept. The ride would be wonderful for Betsy. Maybe she would have a chance to set David right about Tom. Probably David spoke lightly of love and meant nothing more than a pretty compliment by his insistence that he had fallen in love with her. Tay was like that, she remembered. Tay loved lots of girls lightly, and quickly forgot them.

"You'll go, won't you?" asked David.
She nodded and picked up her hat from the bench beside her. David swung Betsy up to his shoulder, and they went down a little slope to where the car stood on the drive.

"I'll have one day, she told herself rebelliously, as, remembering all the dreary days, she settled back against the soft red leather cushions with a sigh. One day away from Mrs. Blake and that dismal house. I'll have something bright and happy to remember later."

One day, with blue sky, with white, billowy, drifting clouds overhead, the trees scarlet and gold, and the distant hills deep purple. Betsy happy, snuggled down between them. David with his bright warm eyes and quick affectionate glance making her feel that she should have refused his invitation. Hills and lakes, stretches of cottages, and the car turning off and stopping suddenly. David lifting Betsy down, and then catching Jessica by her arms and holding her just an instant before he released her.

Her heart racing now as she pretended a great interest in spreading out the robe and opening sandwiches and pouring coffee. Throwing David's big white handkerchief under Betsy's dimpled chin for a bib.
Later, happy, sitting with the baby's heavy head on her lap as

Betsy slept and David sat with his hands linked about his knees, looking off into the distance.
Peaceful, and yet not peaceful. Aware of a rising excitement in her breast as David got to his feet and stooped and lifted Betsy, settled her on the rug and drew the rug up over her. He turned and grasped Jessica's hand and pulled her to her feet. "Let's walk about a bit," he said. "Betsy will be all right, we can watch her."

THIS was wrong, all wrong, for David did not release her hand as they walked along to where they could look down and far away to the violet hills in the distance. To where a little lake shone like a chip from a mirror. To cattle grazing quietly in close-cropped fields. Everything beautiful and still, so still. Only her heart beating wildly at David's nearness. Only her effort to remember Tom, failing. She wanted to cry, to laugh. She was happy.

For a little while David said nothing. Then he turned and spoke quite calmly. "Darling, I love you."
The hand which held her tightened. One glimpse of his blue eyes and Jessica jerked her hand away and stood quivering all over, unable to speak. Finally she said, "Please don't say that again, David. There's another word much more important than love—loyalty." Then, suddenly, she was telling him all about her meeting with Tom and their rash and hasty marriage, her bewilderment when Tom went away and she was left alone with strangers.

David moved impatiently. He picked up a stone at his feet and flung it down the little hill on which they stood.
"You made a mistake, Jessica. You took a silly schoolgirl infatuation for love. Love is something quite different. I want to teach you how different. I want—"
He ended abruptly. He caught her by the arms and drew her toward him, closer and closer, with his bright blue eyes intense and dark, probing her own.

"I want to kiss you, Jessica," said David softly. "Will you let me kiss you, darling?"

City's Population Due To Jump With Opening Of Diagnostic Building

Jacksonville's population now estimated at more than 22,000 is due for an increase of several hundred during the next three months when the Illinois State hospital puts 100 new employees to work, in connection with the opening of the new veterans' diagnostic building.

Paul Hempel Dies Friday Afternoon; Was War Veteran

Paul W. Hempel, 201 E. Oak street, a lifetime resident of this city, died Friday afternoon at 1:15 o'clock at Passavant hospital, where he had been under treatment several days. He had been in failing health for several months.

PAUL W. HEMPEL

Mr. Hempel was born in this city on January 14, 1897, the son of Charles and Nora Craddock Hempel. He was educated in the local schools, and when a young man was employed by the C. & St. L. railroad in Springfield for several years.

He served with the U. S. Army in France during the first World War, and after returning to this city was employed for a number of years as an automobile mechanic. For the past 12 years Mr. Hempel was employed by the Journal Courier in mechanical and circulation work.

The deceased was possessed of a friendly disposition, kind and accommodating to all friends.

Surviving are one daughter, Mrs. Frances Unland, Indianapolis, Ind., two grandsons, Jack and Jerry Unland, one brother and four sisters, Carl Hempel, Rock Island, Miss. Hempel of this city; Mrs. Helen Ahlquist, Wood River; Mrs. Donald Casey, Albert Lea, Minn., and Mrs. Alice Tendeck of this city.

The remains were removed to the Gillham funeral home but will be returned to the residence. Funeral arrangements will be announced later.

Funeral Services

Final rites for Pfc. Robert Fisher will be held Sunday afternoon at 2:30 p.m. at the Williamson funeral home. The Rev. Henry Spencer will officiate and the Veterans of Foreign Wars, assisted by the Armvets and American Legion, will conduct graveside services in Diamond Grove cemetery.

The family will meet friends at the funeral home from 7 to 9 o'clock this evening.

Mrs. Martha Crozier
Funeral services for Mrs. Martha Crozier will be held at the Gillham Funeral Home at 2:30 p. m., day-light time, Saturday. The Rev. Reginald M. Harris will officiate. Burial will be in Diamond Grove cemetery.

The Niagara Falls are recording about five feet a year.

Dorothy Goebel Directs M'Murray Horseshow Today

The MacMounties will present the annual May Day Horse Show at the MacMurray Stables today at 10 a.m. and 2 p.m. All students, guests and townspeople are cordially invited.

The MacMounties have worked hard on preparations for this show and it promises to be better than ever before. The general chairman of the show is Dorothy Goebel and committee chairmen are as follows: Betty Butler, publicity; Ann Miller, Irene Gonkowski and Sue Kaldahl, grounds; Paula Haga, programs; and Phyllis Larson, tickets.

The Outer Ring Master will be Charlotte Erb and Juanita Krueger with Milt Hawkins as Ring Masters. Nancy Skinner is the social manager of the show and George Norris is the announcer. Background music for the show will be provided by the MacMurray Swing Band.

The show has been divided into Novice, Advanced, Blue Ribbon and Championship classes. Riders in the Novice classes are those that have had less than a year of riding instruction.

The Advanced class is made up of girls with more than a year of riding. The Blue Ribbon Class is made up of the eight best riders voted on by the MacMounties.

The winners of the Novice sections will compete for the Novice Championship and the winners of the two divisions of Advanced plus Blue Ribbon winners will enter for the Grand Championship.

The show starting in the morning will consist of the following program:

Class I, Advanced 3-gaited—Riders: Anne Taylor, Virginia Anderson, Judy Greenberg, Doris Murrie, Jeanne Collins and Phyllis Ericson.
Class II, Novice 3-gaited—Riders: Juanita Krueger, Betty Draeger, Margaret Martens, Honsinea Aldin, Paula Bradley and Irene Gonkowski.

Class III, 3-gaited pairs—Riders: Charlotte Erb and Joan Bevit; Paula Haga and Juanita Krueger; Nancy Skinner and Phyllis Larson; Dorothy Goebel and Dorothy Studley.

Class IV, Novice 3-gaited—Riders: Sue Kaldahl, Marilyn Adams, Pat Jones, Jean McCosker, Pat Hunt and Mary Jane Heston.

Class V, Blue Ribbon Class—Riders: Phyllis Larson, Nancy Skinner, Paula Haga, Joan Bevit, Dorothy Goebel, Dorothy Studley, Charlotte Erb and Beverly Ziegler.

The afternoon section will consist of the following:

Class VI, Novice 3-gaited—Riders: Ann Miller, Pat Johnson, Ann Geisel, Janet Malecki, Ruth Baldson and Barbara Griffith.

Class VII, Teams of Three—Riders: Nancy Skinner, Charlotte Erb and Phyllis Larson; Paula Haga, Dorothy Studley and Joan Bevit.

Class VIII, Novice Championship—First and second place winners in classes II, IV, and VI.

Class IX, Grand Championship—First place winners in Classes I and VIII, and the first four winners in Class V.

Trophies and ribbons for these classes have been donated by various individuals and concerns interested in the MacMurray College Horse Show.

Mrs. Charles Crabtree of Saint Louis, Mo., will judge the show. All riders in the show have been under the instruction of Miss Doris Greenwalt.

Warren Bento, 38, Former Resident, Fatally Injured

Warren Bento, 38, a former resident of Jacksonville, was fatally injured in a U. S. Mail truck accident at Santa Monica, Calif., May 21, according to word received by relatives here Friday afternoon.

Mr. Bento, the son of Thomas and Mary Bennett Bento, was born in this city.

According to information received here, Bento was driving a U. S. Mail truck in Santa Monica when it collided with another vehicle. Bento was thrown from the truck which toppled over on him. He died in a Santa Monica hospital 40 minutes after the accident.

Bento was a veteran of World War II, having seen four years years in the Pacific. After he returned to civilian life he entered the service of the Santa Monica Postoffice.

Surviving are his wife; his mother, Mrs. Mary Bento of Las Vegas, Nev.; two brothers, Leonard Bento, also of Las Vegas, Nev.; Russell Bento of Brookline, Mass. His father and one child preceded him in death.

Funeral services were held at Santa Monica.

The Bento family resided in Jacksonville for many years before moving to California about 30 years ago. Bento was a nephew of Mrs. Mary DeCastro, 830 North Prairie street, this city.

The Amazon received its name from a tribe of female warriors who were said to live on its banks.

The flow of water over Niagara Falls has never stopped entirely, so far as is known.

2, 4-D Will Kill Cabbages

By The Journal Courier Farm Editor

And many other valuable plants if it is used improperly and indiscriminately, says E. E. Greer, Cass county farm adviser, as he examines the dying cabbage plants in a garden.

Opinion is divided whether the experiment was a success or failure. Most observers say it will take time to determine whether the application does its intended job or whether the damage caused by drift exceeds the benefits.

2, 4-D is a chemical that stimulates the growth of certain plants, causing them literally to grow themselves to death. Broad leaved plants,

especially the more succulent types, are especially susceptible to it: the grass family tolerates it well under some conditions.

The spraying was done last week and within a few hours residents of that area say they noticed damage to nearby farm crops. Legume seedlings were damaged up to 400 feet away. The blossoms blasted on strawberry plants located much closer; the leaves on some Irish potatoes show the characteristic 2, 4-D rosette appearance. One stand of red clover was plowed under.

Mr. Greer said the extension service of the College of Agriculture has heard many reports concerning damage brought about by reckless use of the chemical.

"There is ample information available on the technique of applying 2, 4-D," the Cass county adviser said. "The chemical has a bright future, but it can be dangerous and should be used judiciously."

Memorial Day Parade, Program To Be Monday

Veterans groups and patriotic organizations of this city will participate in the annual Memorial Day

parade and program to be held here Monday morning. The Rev. Arthur P. Ewert will give the Memorial address in Central Park.

All servicemen and other groups participating in the parade will meet at 10 a.m. at the corner of Church and West State streets. The line of march will be east on State street to the public square, where a program will be given in Central Park.

The program, which will begin at 10:30 a.m., is as follows:

The National Anthem—Mrs. S. G. Baker.

Pledge of Allegiance—in unison. Invocation—the Rev. Robert J. Campbell.

Address—the Rev. Arthur P. Ewert.

Pledge of Allegiance—in unison. Moment of silence.

Salute to the dead—combined service groups.

Benediction—the Rev. Robert J. Campbell.

The Memorial Day observance is being directed by American Legion Post No. 279. Program chairman is Claude E. Armstrong, and members of the program committee are Fred Bailey, Elbert Brasel, Frank Robinson, Dale Rose and Lewis Fernandes.

All members of the various veterans' groups and other organizations taking part are urged to take part in the observance.

Many Attend Festival At MacMurray Friday

The coronation of Miss Georgia Warton as Queen of May climaxed an evening of traditional commencement activities held last night at MacMurray College. A large crowd of students, parents, alumnae and townspeople witnessed the colorful ceremony which took place on the lawn before Ann Rutledge residence hall.

Court Presented
Miss Ann Rose Murphy announced the queen and her court as they proceeded down the path to the throne at the south end of the terrace. Miss Virginia Hinrichsen of Davenport, Iowa, last year's May Queen, crowned the queen for 1948.

She was followed by the attendants, Miss Doris Cooley of West Bend, Wis., Miss Jane Olander of Aberdeen, S.D., Miss Barbara McCord of Rosedale, Ind., Mrs. Carol Roy Roach of Jacksonville, Miss Caroline Ingersoll of Crawfordville, Ind., Miss Margaret Flynn of East Chicago, Ind., the maid of honor, Miss Jean Zilvay of Milwaukee, Wis., crown bearer, Frederick Busche of Jacksonville, and the queen, Miss Warton of Chicago.

Contest Judges
Judges this year were Mrs. Marian Chase Schaeffer, Henry Busche and Noel Rousey. The trophy was presented to the junior class because in the opinion of the judges the lyrics and tune, harmony, words, and rendition of their song was the best. Honorable mention went to the sophomore class.

The junior class in the traditional MacMurray ceremony for the senior directed the sophomore class song, called "Good Luck and Memory of Mac," arranged by then, formed the lantern aisle Margaret Harvey. The senior class through which the May Queen and song, written by Nancy Peiper and her court retired.

Stassen Addresses Illinois Groups, Invites Support

Decatur, Ill., May 28.—(AP)—Harold E. Stassen said today current events in Finland re-emphasize "the importance of new, strong measures by the free countries to stop communist infiltration."

Stassen addressed a luncheon sponsored by the Decatur junior chamber of commerce. It was one of three campaign appearances he made in Illinois today in a bid for "second choice" support of the state's Republican delegation at the national convention.

His other appearances were at Champaign and Peoria.

Stassen said the Finnish parliament had voted "no confidence" in the communist minister of the interior.

"Through the communist leadership which had worked its way into the labor unions of Finland, strikes were called which forced the government to reverse its decision on cleaning up its own cabinet," he said.

Strikes Fifth-Column Work
He added that "these fifth column activities, which are so obviously directed from Moscow, must be ruled illegal." Present United States laws he added, are out of date. They have not kept up with the postwar methods of these communist underground tactics.

He said the Mundt-Nixon bill to curb communist activities should be passed at this session of Congress "in some form." He said it should be amended, however, "to meet any sincere objection based upon the constitutional bill of rights."

In a question and answer session after his speech, Stassen was asked whether he favored a substantial reduction in tariff. He said he favored "extension of the reciprocal trade program, with safeguarding clauses developed at the Geneva conference." These, he said, aimed at assuring that "no segment of American industry or agriculture should be adversely affected by sudden changes" in tariff.

Praises Governor Green
In seeking "second choice" support of the Illinois delegation to Philadelphia, Stassen has carefully respected Governor Dwight H. Green's "Favorite Son" position among the state's delegation and Republican leaders. In his sole mention of Green in his speech, he said he was glad to be in a state "so ably presided over by your outstanding governor, Dwight H. Green."

Jacksonville Man Dies From Tractor Injuries; Hold Inquest Friday

Albert Little, 520 South Diamond street, died at Passavant hospital at 3:55 a. m. Friday as the result of chest injuries sustained when a tractor overturned on him Thursday afternoon while he was working on his brother's farm in Perry township in Pike county.

Little was attempting to attach the tractor to a disc when his foot slipped on the clutch, causing the tractor to topple down an embankment. The machine struck with great force, hitting him directly in the chest, but not pinning him down.

His brother, Ray Little, immediately took him to Meredosia where he was treated by Dr. Penella. Dr. Penella recommended that the injured man be given hospital care.

Little was brought to Passavant hospital and was attended by Dr. A. G. Wolfe. He remained conscious until about 15 minutes before his death.

An inquest was conducted Friday morning at the Williamson Funeral Home by Coroner C. S. Young. The only witness to testify was Ray Little, who related the details of the accident.

A verdict of accidental death was returned by the jurors, Grace Benson, foreman; Frank Ham, Ella Brooks, Lucy Plank, Sadie Young and Orval Sherwood.

Born in Scott
The decedent was born in Scott county, a son of Mason and Louella Campbell Little. He was a former attendant at Passavant hospital.

Surviving are his wife, Gertrude; six children, Virginia and Edward of Jacksonville, Verna and Carl of Chicago, Fern of Winchester and Leona of Beardstown; two brothers, Roy of Winchester, and Clyde of Jacksonville; and one sister, Mrs. Janie Freeman.

His parents and three children preceded him in death.

The remains were taken to the Danner funeral home, where they will remain until time for funeral services at 2 p.m. standard time, Monday, at the Primitive Baptist church. The Rev. J. Bryan Adair will officiate and burial will be in Christ cemetery.

Philip W. Riggs, formerly of this city, will be the speaker at a special worship service to be held Sunday evening at 8 o'clock at Northminster Presbyterian church.

For several years Mr. Riggs has been employed by the Eureka Williams Corp. in Bloomington. Planning to enter the evangelistic field of the church, he will enroll soon at John Brown university at Siloam Springs, Ark., to prepare for his life work.

There will be special music by the youth of the church, who will also assist with the service. The public is cordially invited to attend.

Leo J. Flood Appointed Superintendent Of ISB

Governor Dwight H. Green yesterday appointed Leo J. Flood as superintendent of the Illinois School for the Blind. He has served as acting superintendent since the death last October of Robert W. Woolston. Mr. Flood's appointment is effective June 1, 1948.

Having joined the School for the Blind faculty as grade and high school teacher in 1911, Mr. Flood had been with the institution during the entire period of the late Mr. Woolston's superintendency. After several years Mr. Flood taught only in the high school as instructor of Latin, French, history and commercial law.

During his first two years at the school he was supervisor of the high school boys' cottage.

Graduate of I.C.
Mr. Flood was educated in the local parochial and public elementary schools and was graduated from Routh high school. He has continued study in the summer sessions at Illinois State Normal University, Illinois College and MacMurray College.

He is the author of an article entitled "The Value of Latin for Blind Students" which was published in 1935 in the "Teachers' Forum," a national magazine for instructors of the blind, and of an address entitled "The Value of Latin in Schools for

Blind" read at the annual convention of the American Association of Instructors of the Blind in St. Louis in 1937. For several years he served as a member of the Illinois state committee on the present status of classical education.

Mr. Flood resides at 334 East Beecher avenue.
